STATISTICAL REVIEW

Statistical totals for the domestic Conferences at the time of unification, for the last year of each of the two quadrenniums since, and for 1949. This summary, taken from the Secretary's report and the Statistician's and Treasurer's report of each Annual Conference, is presented for the purpose of giving certain information not appearing in the Condensed Tables also received from those Conferences. Complete report for 1940 not available.

§Included Units & Subdivisions

INDEX OF ANNUAL CONFERENCE MINISTERIAL MEMBERS

The following is a list of the Conference Members, including Probationers, whose present relation to the Church is recorded in this volume. The figure before each name represents the year in which the man was received into Full Membership. Where the figure is omitted there is a question about the exact year and the matter is being investigated. The star (★) indicates that the name will not appear in the General Minutes next year, the man having been removed by death, discontinuance, location, withdrawal, or expulsion. **Boldface type** indicates that the preacher is retired. The superior figure in the page number is the column in which the name appears. The editor of the General Minutes will appreciate information which will increase the completeness and accuracy of this record. Address him, The Statistical Office, 740 Rush St., Chicago 11, Ill.
